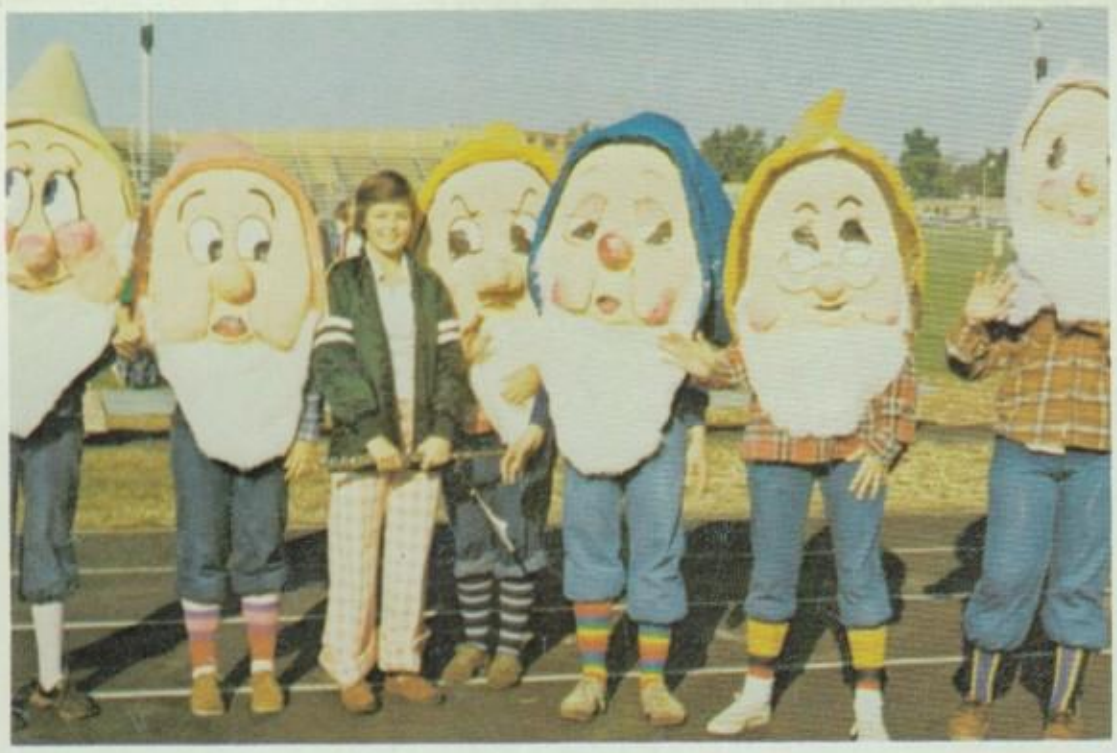
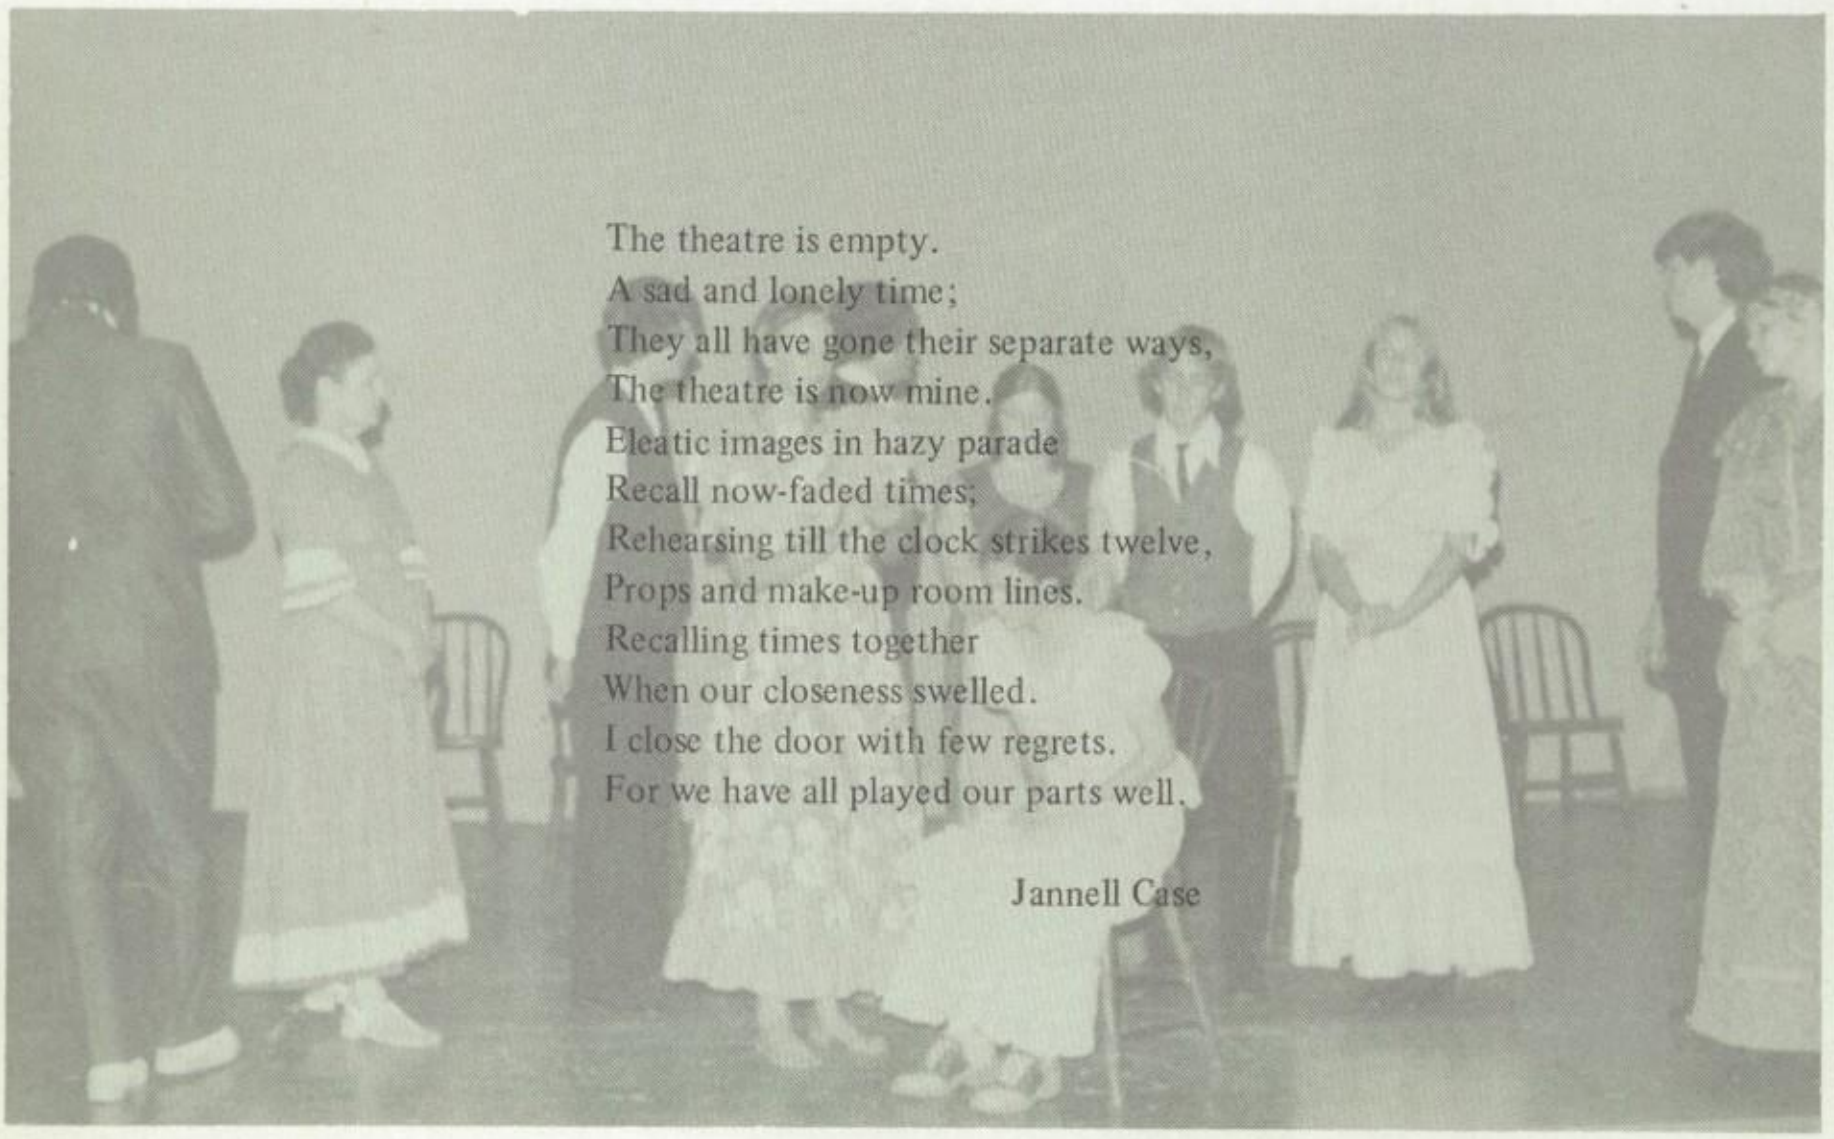
The Marching 100, rated the finest band in the Big Twelve Conference, devotes many hours in practice to prepare for their half-time shows and parades. Wet or dry—cold or hot, the band constantly amazes its audiences with special featured football shows.



The formula for success in any organization is dedication and cooperation. This year's band has a director, William Smock, who is dedicated to his work and students who have cooperated in the efforts of the organization. Thank you, MARCHING ONE HUNDRED, for giving LCHS your time and talents.

SPOON RIVER ANTHOLOGY . . .
IS WELL RECEIVED AS



The theatre is empty.
A sad and lonely time;
They all have gone their separate ways,
The theatre is now mine.
Eleatic images in hazy parade
Recall now-faded times;
Rehearsing till the clock strikes twelve,
Props and make-up room lines.
Recalling times together
When our closeness swelled.
I close the door with few regrets.
For we have all played our parts well.

FOOTBALL RAILERS

MAKE 1975 THE GREATEST SEASON YET

Living up to and even exceeding expectations, the 1975 Football Railsplitters became the most sucessful football team in Lincoln High history. Running rough shod over most opponents, and defensing strongly all others, the Railers finished the regular season undefeated (9-0). As the Big 12 Champion, the Railers entered the IHSA State Chapionship Playoffs minus injured star running back Mark Guzouskis and were upset by one point, cutting short this best season ever.

The Railers were captained by Gusouskis, Mark Zurkamer (leading tackler), Tom Schonauer (Best Blocker), but were without the services of quad captain and star quaterback Greg Prisk, who mussed the entire season with an injury.

Returning lettermen Bob Coady, Eric Spanton, Kevin Thompson, Dan Ott, Dave "K" Klemm and Dave "C" Clem added additional leadership and muscle to the squad, and returning seniors Doug Reifsteck, Steve Pluth, Dave Buch, Mark Hasley, Dave Buesking, and Jim Kuznick provided even more experience and ability to this championship club.

Juniors such as Jeff McClard, Greg Boyd, Kirk Kvitle, John Lauer, Stan Hawkins, Randy Feese, Rod Brown, Greg Cox, and Mitch Webster were starters or valuable players and made the Railers squad a complete team with no weak spots. Other underclassmen on the squad were competent players who might have been starters on a less talented team.

Offensive statistics for this team included rushing for 265 yds. per game (6.1 avg.) and total offense of 315 yds. per game (6.4 avg.). Defensively the Railers held opponents to 90 yards per game rushing, a 37% passing completion record, and allowed only three touchdowns all season against the first team defense.

Individual honors were many, and included Mark Gusouskis making All State (1292 yards rushing new L.C.H.S. record), Mark Zurkamer and Tom Schonauer 1st Team All Conference, and Ott, Thompson, Klemm, Hasley, Pluth, Clem, Kuznick, and Randy Feese all making the "mention" lists for All State and/or All Conference.

It was truly a great season and one that will never be forgotten by the team, coaches, school, and community.

Lady Aces Prove Best Of Duals & District Again

The team compiled a 7 - 4 record and tied Normal Community for their second consecutive district title. Big 12 champ Julie Harris was undefeated all season until meeting three-time champ Sue Repogle at the state tourney. Kathy Lindstrom closed out her successful career at LCHS with a second trip to the state tournament. Jane Quisenberry played the fourth singles slot and captured second in the Big 12 meet. She teamed with number three Geri Migielicz at district to reach the semi-finals for Lincoln's best doubles finish. Julie Schwalbach and Karen Roschnafsky played the other singles positions as well as doubles. Frosh Teri Koester also lettered, and led the first junior varsity team to wins over local smaller schools.

This years Cross Country team consists mostly of juniors and sophomores. In a statement from Coach Weber he said "We have a young inexperienced team, but they have shown improvement.

Returning lettermen from last year are: Bob Dial and Mark Heidbreder. Other returning team members are: Randy Swingle, Mike York (only senior), Debbie Winkel (only girl), and Time Wilson.

Lincoln Placed fourth in District which is the same placing as last year. Mark Heidbreder placed 7th and Bob Dial placed 10th and the team had an over all better score than last year of 20 points. This enabled them to go to sectional; which they placed 14th with 24 teams being represented.

With last year's performance lurking in the back of their minds, the squad improved upon all records with the exception of the state tournament. The team captured a share of the conference title, suffering their only regular-season defeat at Mattoon, while compiling a 15-2 record. The team had excellent balance, as every match featured a different star performer backed by solid play. After capturing the district title and practically giving Coach Veile a coronary attack, the girls were upset by Athens, a suprise state semi-finalist. Consistant leadership was provided by All-Big 12 setter Kathy Steinkamp and spikers Mary Mitchell and Bev Cook. Jan Berglin's serves turned defeat into victory in the waning seconds of the Porta match. Jane Quisenberry's spikes came alive in late-season and setters Teresa Aper and Michele Georgi played key roles. Transfer Val Burger adjusted to power volleyball and was a spot-starter along with Karen "Fire Hydrant" Roschnafsky. The jayvees proved to be the best ever, shining offensively while winning ten of thirteen matches. Sophmore Renita Brown led the team, along with spiker Barb Verderber and setter Jan Bowers, just two of an exceptional freshwomen group.

GIRLS BASKETBALL

f anyone would have predicted that Lincoln would be the unner-up in the Big 12, they would have been regarded as ery biased or very foolosh. As the story goes, the team did ust that, posting an 11-2 season record. The stature of this chievement is not appreciated until one finds that only one layer with varsity experience returned, and that Don Fults ecame the third different coach in as many years. The oung squad has reason to look towards next years state ournament with optimism as only one player, Geri Migielicz, vill not return. Freshman Barb Verderber distinguished her-elf as the most explosive offensive force in the conference, nd was complimented by the defense and rebounding of vastly-improved Pam Ritchhart. Julie Sullivan started as the other forecourt player, and she and guard Diana Johnson will captain next year's team. Jane Quisenberry became a "super-sub" in her first year of basketball, notably beating Bloom-ington with a last-second shot. The junior varsity also had a fine season, winning all but four contests. Freshmen Jan Bo-wers and Gayle McRoberts played excellent games and should be in line to take over where the most valuable senior left off. The community may be mildly shocked when fam-iliar names like Ritchhart and Verderber lead a basketball team towards the eleusive championship.

Business is one of the most popular courses taken here at L.C.H.S. The courses are open to everyone, although some are limited to just juniors and seniors.

Some of the courses include students from other schools; which are vocational classes and meet two hours a day. The classes are Data Processing, Office Machines and Secretarial Proceedures.

The regular courses range from record keeping to college accounting, typing to shorthand and business letter writing. Another very interesting one is Business Law.

Math

Mathematics is a science that is needed by each person. From birth to death each person uses mathematics every day, every hour, every minute; for each person uses numbers and number relationships all the time. The student studies mathematics to master numbers and number relations rather than have numbers master him.

Two new semester courses, Career Math and Calculator/Indirect Measure, were added this year at the request of students. These students found that the more they studied mathematics, the better they mastered these number relations and in doing so they experienced that grand feeling of accomplishment.

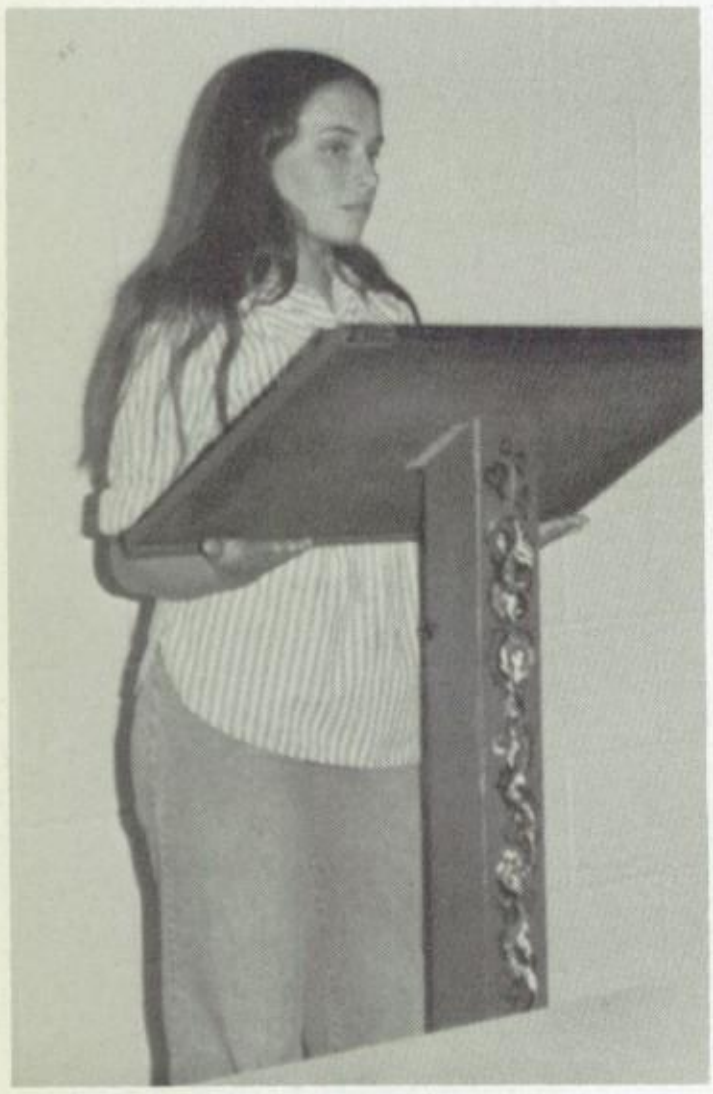
STUDENT GOVERNMENT SUCCESSFUL



Dan Gahr, if you don't stop talking. . . . . .

This year's Student Government under President Bridget McCullough and Advisor Ron Shawgo proved they could get things done and done well. Student Government planned and carried out a successful Homecoming and sponsored several excellent dances. Several activities were added to this year's list such as Anything Goes Night, a vandelism film, and allowing students to vote in the Teacher of the Year Award. All in all this Year's Student Government has done a fine job with it's activities. Congratulations on a fine year, Student Government.

Winter Play

A Christmas Carol

The Cratchet Family

The Fezziwigs

This year the Music and Drama Departments combined efforts to put on the production of A CHRISTMAS CAROL, by Charles Dickens. It is a play which shows that the true feeling of Christmas should be one of joy and goodwill. It was an appropriate selection for the winter play because it put everyone in the Christmas spirit. The costumes and scenery were excellent. The hard work of the Lincolnaires, Orchestra, cast and various crews, as well as the directors, should be commended on a job well done. Under the technical supervision of Sandi Zielinski (Z) it couldn't be anything but SUCCESS.

Oh dear, I just wet my dress!

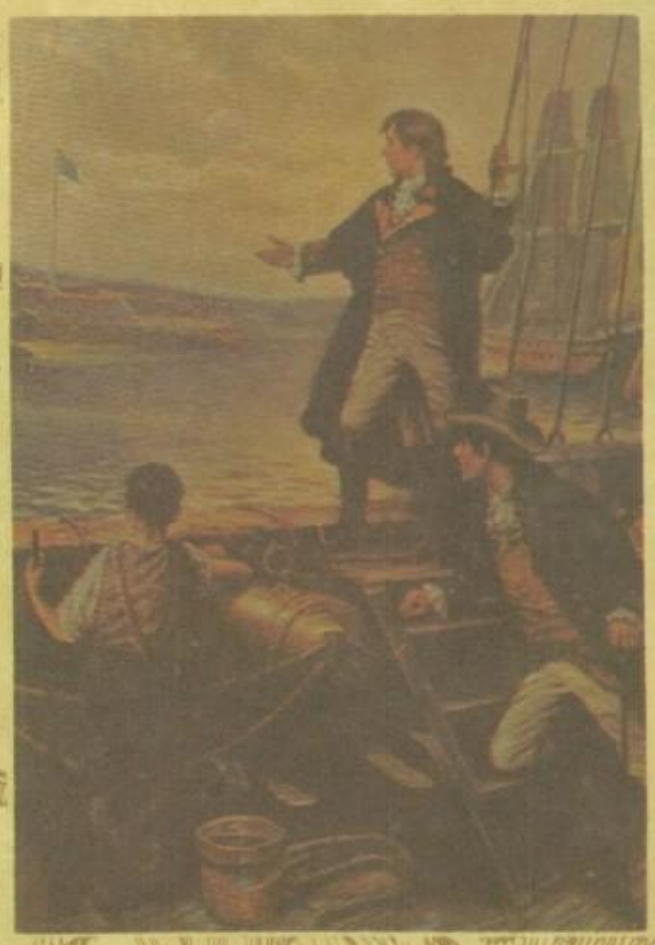
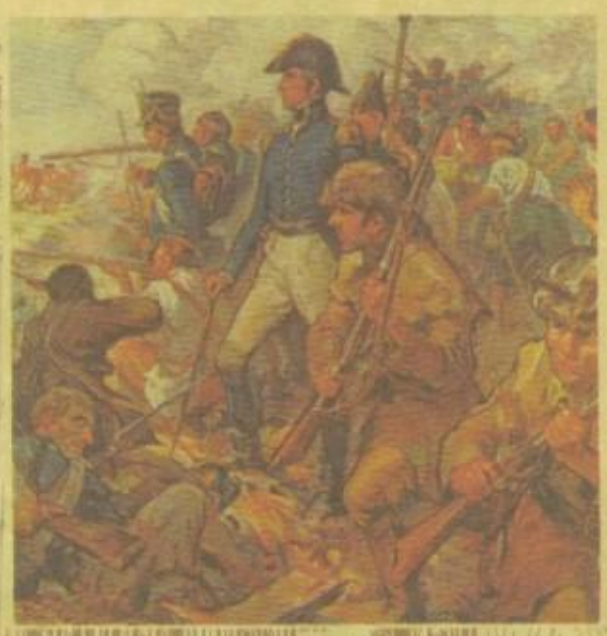
A CELEBRATION
TWO HUNDRED YEARS
OF A NATION

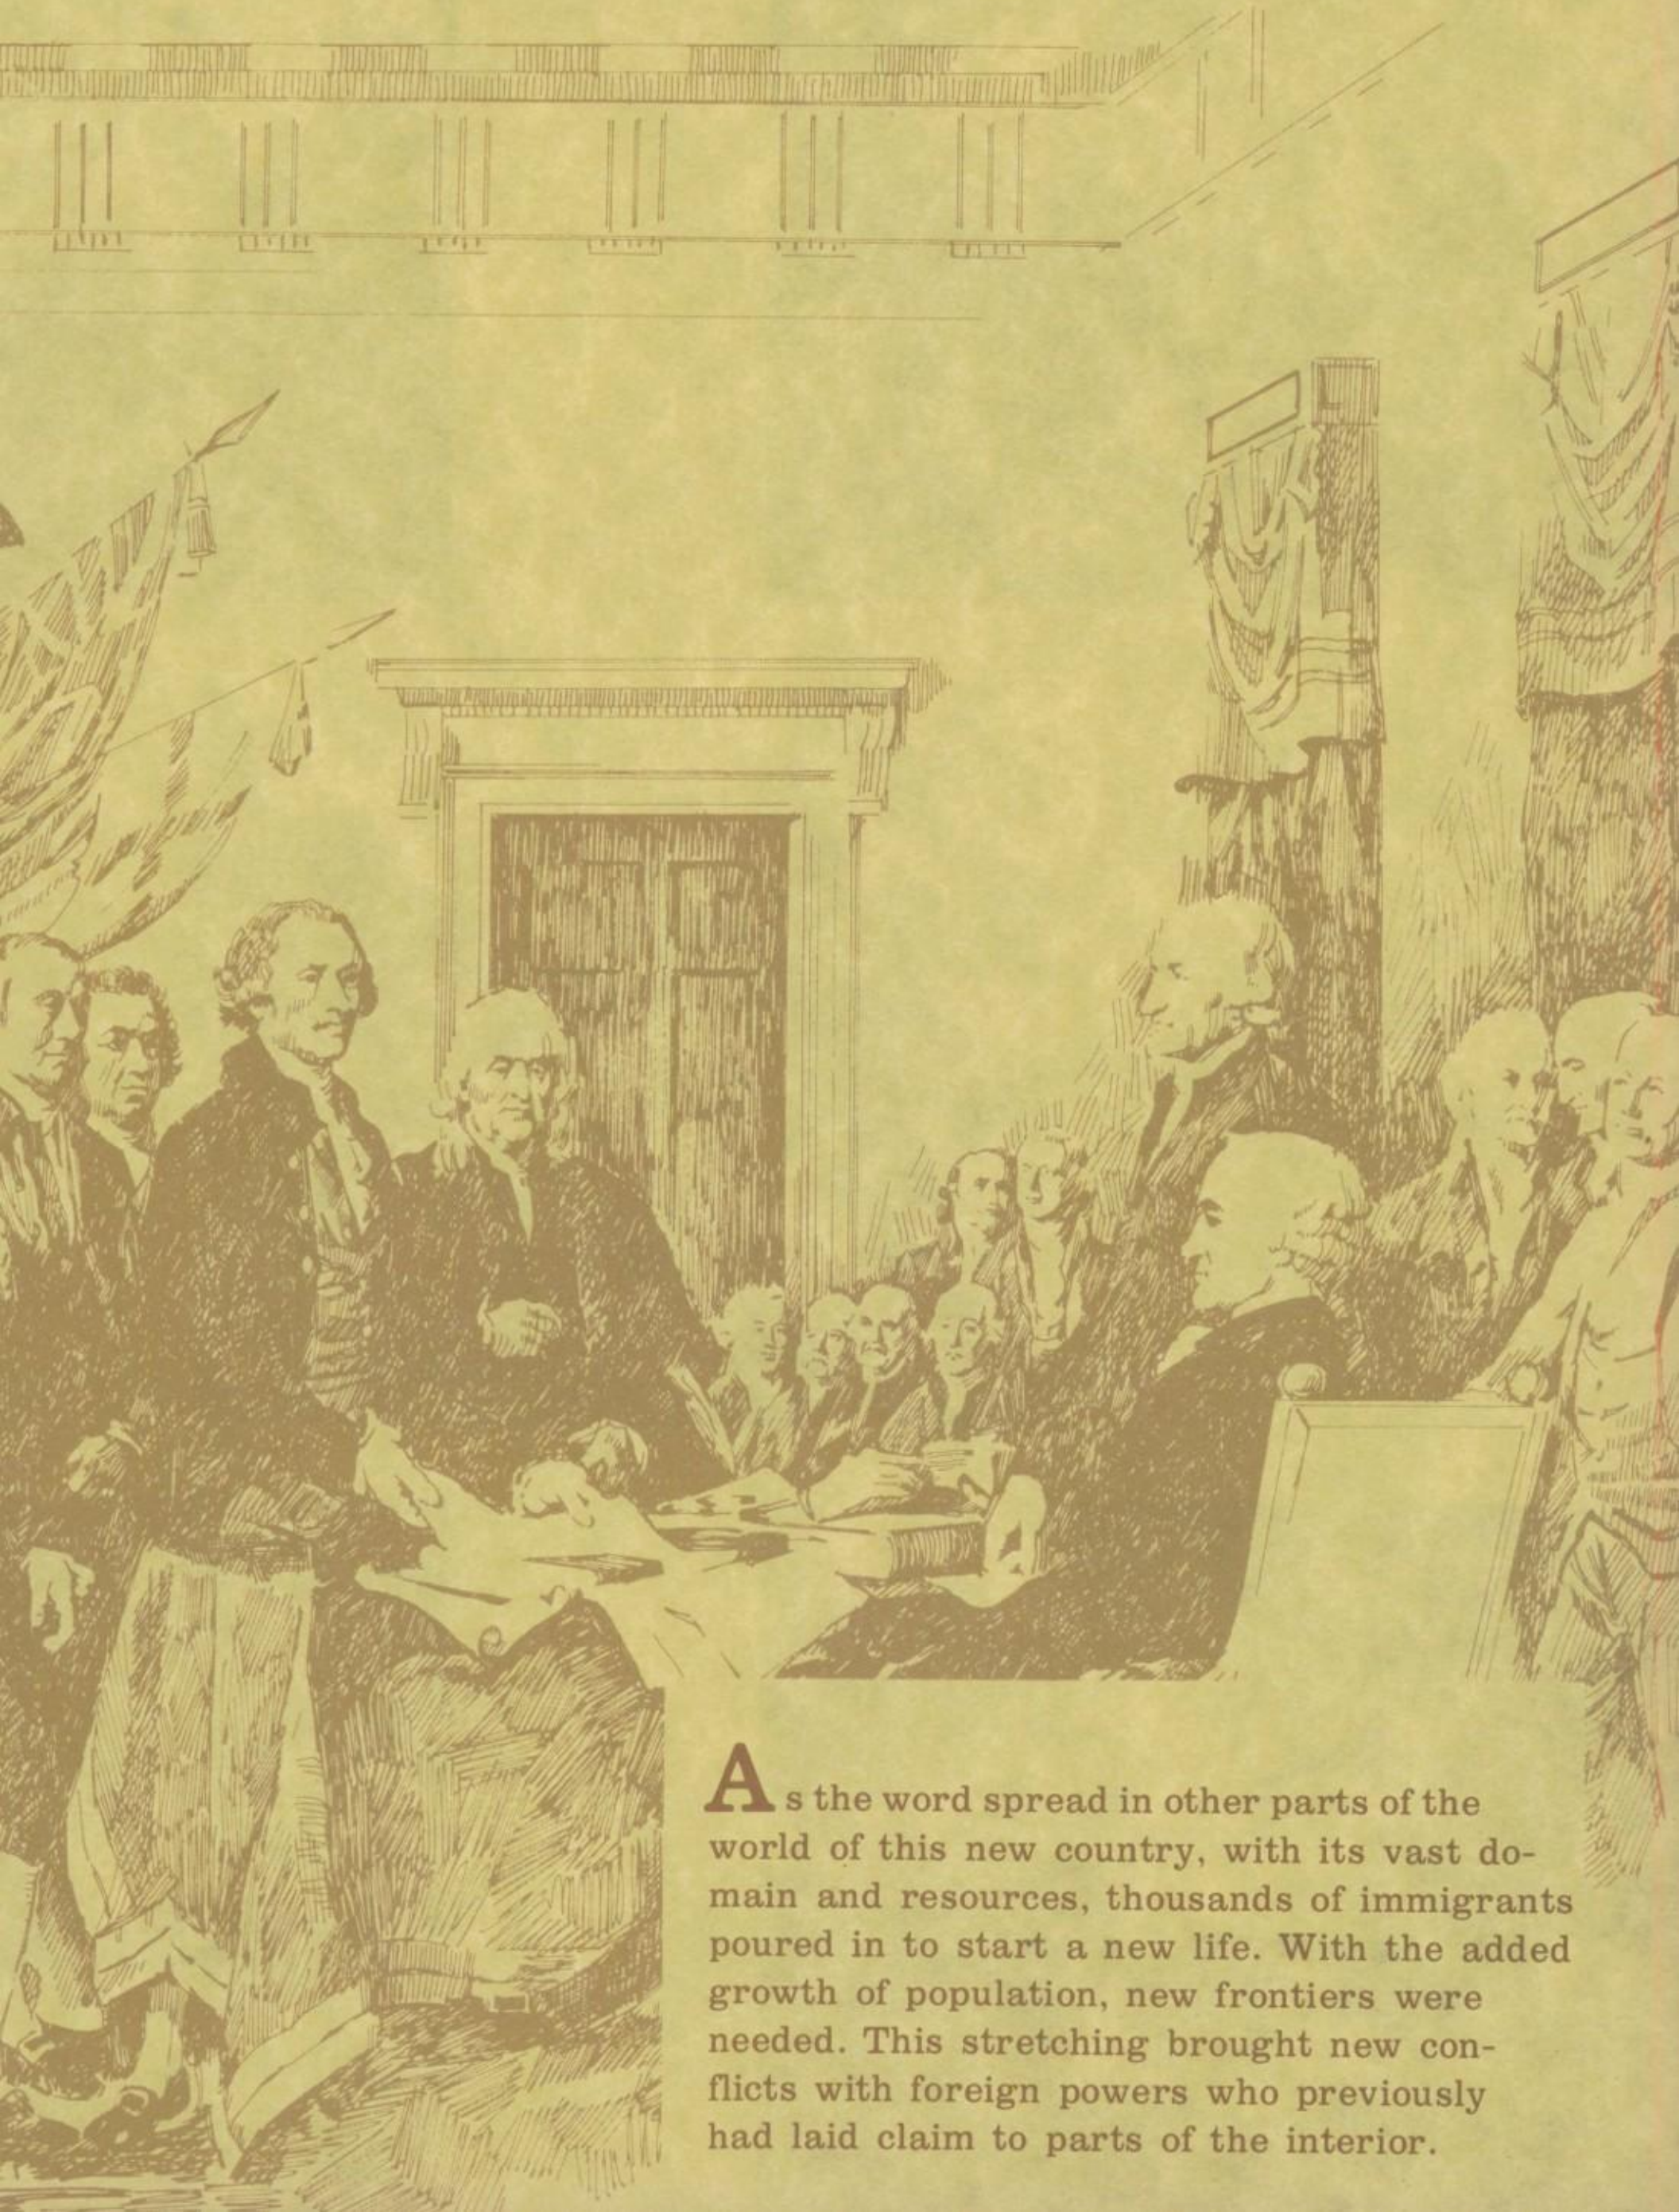
The idea of the original thirteen colonies and their leaders was born out of a passion to be free—to chart their own destiny of building a country out of this thin fabric called Freedom.

The break from England was not to come easily, as this fledgling was viewed as a serious threat to the tentacles of the vast and far-flung British Empire.

Patriots rose from every corner of the struggling country. Help came from other European countries to add to the flame of breaking the grip of England. Farmers, fishermen, cobblers and men from every walk of life took up their arms to defend this new-felt right to be free. As the smoke began to clear, ideas on organizing this diversity of colonies into a coalition of united states began to take shape. The form of a Constitution and Bill of Rights was molded by statesmen who previously were nonexistent.







As the word spread in other parts of the world of this new country, with its vast domain and resources, thousands of immigrants poured in to start a new life. With the added growth of population, new frontiers were needed. This stretching brought new conflicts with foreign powers who previously had laid claim to parts of the interior.

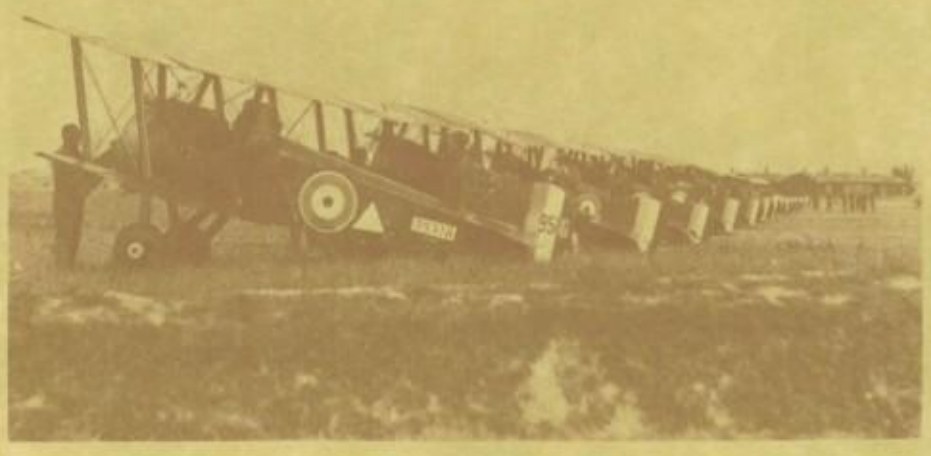
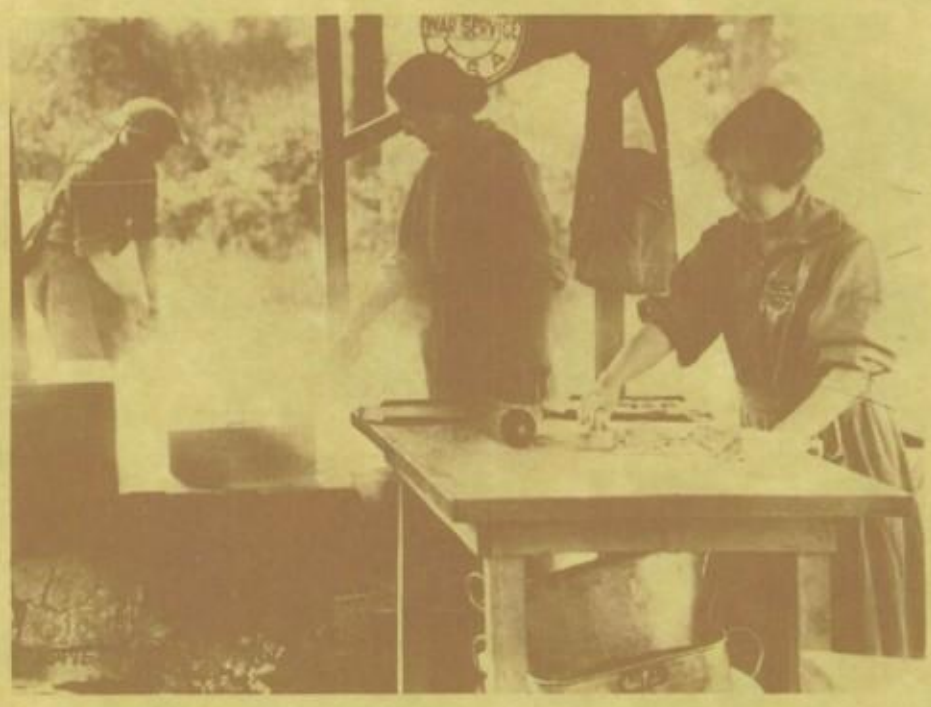
THE RUN FOR HOMES IN OKLAHOMA

The need for new frontiers continued as movement spread West. A rapid explosion of technological advances pointed the country into the fore as an industrialized nation.





As one of the leading industrial nations, this strapping, growing giant became embroiled in the first of the World Wars. After its success with other Allied Nations, a never-before-felt boom and prosperity was followed with the shattering bust of the Great Depression.

New leaders were sought to pull the Country out of its fall, while on the horizon new storm clouds were building across the oceans.

A second World War was fought to protect the cause of freedom, as the now grown giant emerged to take its place as the leader of the Free World. This new role has brought with it—many challenges—many successes—some failures . . . and through it all a spirit for all nations to envy—a burning passion that all men may one day be free . . .

SUPERINTENDENT OF LINCOLN HIGH SCHOOL

The school year 1975-76 shall be one of the most memorable in the history of Lincoln Community High School. Not only did we enjoy the joys of athletic success with an undefeated varsity football team, but student participation in school activities reached an all-time high.

The building expansion program was completed after some nine years of construction. This permitted students to enroll in an increasingly comprehensive curriculum allowed by the more adequate facilities now available.

In perspective, Lincoln Community High School grew in the sense that it had more students participating in more activities—both academic and extracurricular—than ever before in the history of the school. As a result of thier involvement, numerous individual students and groups of students distinguished themselves which made 1975-76 truly a memorable school year.

This is a job for. . . .Axion!

Birdie, Birdie in the sky.

OPPS! We've done been caught!

A simple handshake would be sufficient!

Hey look at me! I'm cute?

Hey Rhonda, what'cha lookin' at?

Take me to your leader

How dare you!

Hey Mary, where ya taken everyone?

Hey guys, what ya playin'?

Mark takes time out for his "playgirl" pose!

Hey, Dave! What 'cha lookin' at? ? ?

Steve, you bring the beer and I'll bring the girls!

Who's next in line for the john?

Roger, what's Stebbie doing?

LCHS' own Godmother!

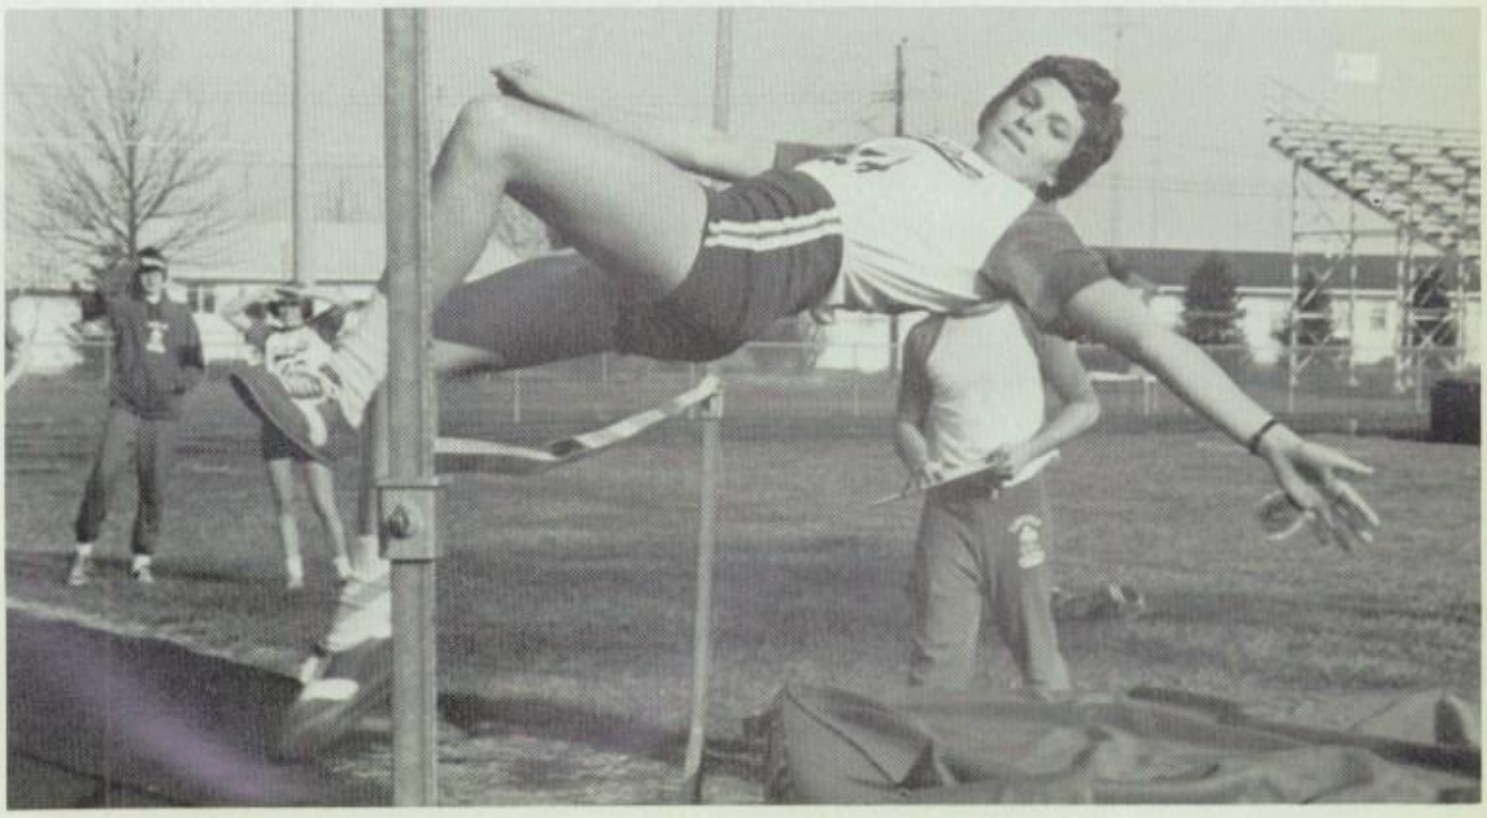
GIRLS TRACK

The greatest surprise on the LCHS sports scene this year has to be the performance of the girls track team. In addition to shocking the conference with a runner-up showing at Big 12, the team qualified nine for the state meet and finished third at district. Super shot-putter Jan Berglin improved her personal, team, and conference records to 40' 4" and set a new district record. Most valuable trackperson Bev Cook added the 80 yd hurdles to her winning repertiore including the 440 yd dash and long jump. Cook edged teammate Nancy Olson by fractions of an inch to win the Big 12 long jump title. Debbie Winkel placed at Big 12 in both the high jump and the mile. Deb won the mile at district and qualified for the state meet. Rookie sprinter Pam Ritchhart recorded a state best-ever time of 10.7 in the 100 yd dash, and backed it up by winning the conference title and placing second at district. Two relays also qualified for the state meet; the mile and the 880 medley. The record-setting mile relay was district champ and was made up by Cook, Barb Verderber, Winkel, and Ritchhart. The medley was comprised of Mel Hurley, Olson, Laura Boehm, and Quayle McRoberts.

"Tinkle" Winkel's face mirrors her concentration.



S-Women Make Like Mermaids

GIRLS SWIMMING

The girls swim team finished their first season with a 5-0 record and a district championship. Coach George Brenco's job was made easier by the fact that most of the girls had been swimming competitively through the AAU for several seasons. The district meet was held at Scully Pool, with the hosting Railers beating chief rival Normal Community for the trophy. Many Lincoln swimmers advanced to the state meet. Freshman Ricci Rousey's 100 yd freestyle time ranked among the top ten district times. Rousey also won the 100 yd backstroke. Lynda Ulrich outclassed the district field in the 50 yd freestyle and the 100 yd butterfly. Paula Starling also advanced to state in the butterfly event, as did Becky Rodriguez in the 100 yd breastroke. One of the two "Old Ladys" of the team, Amy Wheal, competed in diving at New Treir. Both of the relay teams advanced to state; the medley: Rousey, Rodriguez, Starling, and Ulrich, and the freestyle relay which was composed of Karen Fitzpatrick, Carmen Rodriguez, and the ancient relics, Wheal and Kim Kvitle.

Row 1: C. Busby, R. Rousey, B. Cortelloni, M. Altman, C. Edwards, S. Dahm, K. Kvitle
Row 2: C. Rodriguez, P. Starling, K. Fitzpatrick, J. Migielicz, B. Rodriguez, M. McCullough.
